BACKGROUND

Sonya is a Licensed Real Estate Agent with years of experience in accounting and over ten years as a broker's assistant. Combining her background she has an exceptional attention to detail with invaluable follow through. As an investment property owner she has insights our clients appreciate. Sonya ensures that WR Gorman & Associates is always professional, keeping our clients needs first and foremost.

Prior to joining WR Gorman & Associates, she gained invaluable experience in residential real estate as both a broker's assistant and as a transaction coordinator. Her administrative responsibilities included everything from scheduling and coordinating meetings and events to managing files and resolving day-to-day operational problems between various operating units.

Sonya has been married for over 23 years. She enjoys spending time with her husband and son.
